

End-Of-Sale and End-Of-Life Announcement for the Cisco Info Center Legacy Product Part Numbers

EOL5535

Cisco Systems® announces the end-of-sale and end-of life dates for the Cisco Info Center legacy product part numbers. The last day to order the Cisco Info Center legacy product part numbers is September 7, 2007. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the Cisco Info Center legacy product part numbers. Table 2 lists the product part numbers affected by this announcement.

The Cisco Info Center legacy product part numbers shown in Table 2 are affected. However, the individual Cisco Info Center components that make up the select solution parts are still available and not part of this announcement. The individual Cisco Info Center components that replace the select solution parts are indicated in the replacement columns of Table 2 below.

Customers are encouraged to order the recommended Cisco Info Center replacement product part numbers as listed in Table 2 below. Where no direct replacement part number is indicated, the customer is encouraged to contact the local account representative to discuss which Cisco Info Center solution is most appropriate.

Table 1. End-Of-Life Milestones and Dates for the Cisco Info Center Legacy Product Part Numbers

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end of sale and end of life of a product is distributed to the general public.	March 9, 2007
End-of-Sale Date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	September 7, 2007
Last Ship Date: App. SW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	December 6, 2007
End of SW Maintenance Releases Date: App. SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	September 6, 2008
End of New Service Attachment Date: App. SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	September 6, 2008
End of Service Contract Renewal Date: App. SW	The last date to extend or renew a service contract for the product.	December 3, 2009
Last Date of Support: App. SW	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	September 6, 2010

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Product Migration Options

The Cisco Info Center legacy product part numbers are subject to end-of-life, but the individual Cisco Info Center components that make up these legacy product part numbers are still available and are not part of this announcement. Therefore, existing customers can continue to use the individual Cisco Info Center components listed in the replacement columns in Table 2 above.

New customers are encouraged to order the Cisco Info Center recommended replacement product part numbers listed in Table 2 above. Where no direct replacement part number is indicated, the customer is encouraged to contact the local account representative to discuss which Cisco Info Center solution is most appropriate. For more information about the Cisco Info Center, visit <http://www.cisco.com/go/cic> or contact your local account representative.
