Overview

EOL15517 - Amended

Cisco announces the end-of-sale and end-of-life dates for the Cisco Intersight Workload Optimizer. The last day to order the affected product(s) is November 15, 2024. The last day to renew or add to an existing subscription is November 15, 2025. Customers with active service contracts and subscriptions (as applicable) will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts and subscriptions (as applicable), support will be available under the terms and conditions of customers' service contract and subscription.

End-of-life milestones

Table 1. End-of-life milestones and dates for the Cisco Intersight Workload Optimizer

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	October 15, 2024
End-of-Sale Date*	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	November 15, 2024
End of SW Maintenance Releases Date: Subscription	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	October 15, 2026
End of Change/Renewal Date*: Subscription	The last date to Renew or Add to an existing subscription.	November 15, 2025
Last Date of Support**: Subscription	The last date to receive applicable subscription entitlements, service and support for the product as entitled by active subscriptions and service contracts(as applicable) or by warranty terms and conditions. After this date, all subscription and support services for the product are unavailable, and the product becomes obsolete.	November 30, 2026

*The requested subscription start date needs to be on or before the End of Sale Date for new subscriptions, and on or before the End of Change/Renewal Date for subscription changes and renewals.

**The projected subscription term end date for new or changing subscriptions needs to be on or before the Last Date of Support.

Applications Infrastructure	Intersight	Not Available	DC-MGT-WOD-SAAS-AD

Product Migration Options

Customers can purchase new IBM Turbonomic licenses directly from IBM or an IBM reseller and migrate workloads from Intersight Workload Optimizer to IBM Turbonomic. Customers can work directly with IBM sales (see [IBM's blog](#)). Moving to Turbonomic means customers can continue to utilize the features and benefits that they've come to rely upon to optimize and automate their data center and cloud workloads. For additional information related to the Cisco Intersight Workload Optimizer End-of-Sale and End-of-Life please refer to the FAQs here: <https://www.cisco.com/c/en/us/products/collateral/cloud-systems-management/intersight/iwo-cwom-eos-eol-faq.html>
