## Overview

### EOL15899

Cisco announces the end-of-sale and end-of-life dates for the Cisco IP Phone 7811. The last day to order the affected product(s) is October 28, 2026. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

## End-of-life milestones

**Table 1.** End-of-life milestones and dates for the Cisco IP Phone 7811

Milestone	Definition	Date
<b>End-of-Life Announcement Date</b>	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	April 29, 2026
<b>End-of-Sale Date: HW, Accessory</b>	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	October 28, 2026
<b>Last Ship Date: HW, Accessory</b>	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	January 26, 2027
<b>End of SW Maintenance Releases Date: HW, Accessory</b>	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	October 28, 2027
<b>End of Vulnerability/Security Support: HW, Accessory</b>	The last date that Cisco Engineering may release a planned maintenance release or scheduled software remedy for a security vulnerability issue.	October 27, 2029
<b>End of Routine Failure Analysis Date: HW, Accessory</b>	The last-possible date a routine failure analysis may be performed to determine the cause of hardware product failure or defect.	October 28, 2027
<b>End of New Service Attachment Date: HW, Accessory</b>	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	October 28, 2027
<b>End of Service Contract Renewal Date: HW, Accessory</b>	The last date to extend or renew a service contract for the product.	January 23, 2031
<b>Last Date of Support: HW, Accessory</b>	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	October 31, 2031

HW = Hardware      OS SW = Operating System Software      App. SW = Application Software

## Product Migration Options

The Cisco IP Phone 7811 has been superseded by the Cisco Desk Phone 9811. The Desk Phone 9800 series support power over ethernet (PoE) and do not have power supply bundles. Region-specific power supplies can be ordered separately. Please refer to the Cisco Desk Phone 9800 Series Data Sheet for more information:

<https://www.cisco.com/c/en/us/products/collateral/collaboration-endpoints/ip-phones/desk-phone-9800-series-ds.html>

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at

[http://www.cisco.com/web/partners/incentives\\_and\\_promotions/tmp.html](http://www.cisco.com/web/partners/incentives_and_promotions/tmp.html).

Customers may be able to continue to purchase the Cisco IP Phone 7811 through the Cisco Refresh (certified remanufactured) program. Remanufactured units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Refresh program, go to: <https://www.cisco.com/c/en/us/products/remanufactured.html>.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:

<https://www.cisco.com/c/en/us/about/takeback-and-reuse/product-recycling.html>.
