Product Migration Options

There is no direct replacement for the Cisco TelePresence MCU MSE 8510. However, customers are encouraged to migrate to the Cisco Meeting Server, which is Cisco's next-generation solution for on-premises video, audio, and web conferencing. An overview of migrating to Meeting Server, including benefits and license migration, can be found at <http://www.cisco.com/c/dam/en/us/products/collateral/conferencing/meeting-server/at-a-glance-c45-737497.pdf>. More detailed product information can be found at: <http://www.cisco.com/c/en/us/products/collateral/conferencing/meeting-server/datasheet-c78-737519.html>.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at http://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

Customers may be able to continue to purchase the Cisco TelePresence MCU MSE 8510 through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to: <http://www.cisco.com/go/eos>.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to: http://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
