

End-of-Sale and End-of-Life Announcement for the Cisco Telepresence Server

EOL11811

Cisco announces the end-of-sale and end-of-life dates for the Cisco Telepresence Server. The last day to order the affected product(s) is February 6, 2018. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

Table 1. End-of-Life Milestones and Dates for the Cisco Telepresence Server

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	August 8, 2017
End-of-Sale Date: App SW, License	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	February 6, 2018
Last Ship Date: App SW, License	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	May 7, 2018
End of SW Maintenance Releases Date: App SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	February 6, 2019
End of New Service Attachment Date: App SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	February 6, 2019
End of Service Contract Renewal Date: App SW	The last date to extend or renew a service contract for the product.	May 4, 2020
Last Date of Support: App SW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	February 28, 2021

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Table 2. Product Part Numbers Affected by This Announcement

End-of-Sale Product Part Number	Product Description	Replacement Product Part Number	Replacement Product Description	Additional Information
L-AES-VTS-K9	AES and HTTPS option for VTS	See the Product Migration Options section below for detailed information on replacing this product.	-	-
L-VTS-12SMP	Shared Multiparty License for 12 Concurrent Meetings	See the Product Migration Options section below for detailed information on replacing this product.	-	-

End-of-Sale Product Part Number	Product Description	Replacement Product Part Number	Replacement Product Description	Additional Information
L-VTS-1SL	Order L-VTS-UPG-PAK for e-Delivery Virtual TS Screen Lic	See the Product Migration Options section below for detailed information on replacing this product.	-	-
L-VTS-27SMP	Shared Multiparty License for 27 Concurrent Meetings	See the Product Migration Options section below for detailed information on replacing this product.	-	-
L-VTS-BASE-PAK	PAK PID for Config Use Only	See the Product Migration Options section below for detailed information on replacing this product.	-	-
L-VTS-K9	Cisco VM TelePresence Server Release Key	See the Product Migration Options section below for detailed information on replacing this product.	-	-
L-VTS-TPSINTOP	Order L-VTS-UPG-PAK for e-Delivery Virtual TS Interop Lic	See the Product Migration Options section below for detailed information on replacing this product.	-	-
L-VTS-UPG-PAK	Cisco Virtual Telepresence Server e-delivery Upgrade PAK	See the Product Migration Options section below for detailed information on replacing this product.	-	-
LIC-AES-VTS-K9=	AES and HTTPS option for VTS, Physical Delivery	See the Product Migration Options section below for detailed information on replacing this product.	-	-
LIC-VTS-PMP-CPW1SL	Cisco TelePresence Server Resource License	See the Product Migration Options section below for detailed information on replacing this product.	-	-

VTS-SW-4X	Media (no lic) for Cisco TelePresence Svr Virt. Machine 4.x	See the Product Migration Options section below for detailed information on replacing this product.	-	-

Product Migration Options

TelePresence Server customers are encouraged to migrate to Cisco Meeting Server which supersedes TelePresence server and is Cisco's next generation solution for on premises video, audio, and web conferencing. Cisco Meeting server can run on the same server platforms as TelePresence Server on Virtual machine and can use the same VMware license. More detailed Meeting Server information can be found at: <https://www.cisco.com/c/en/us/products/collateral/conferencing/meetingserver/datasheetc78737519.html>.

Customers are also encouraged to migrate from TelePresence Server screen licenses to multiparty licensing which can be used with Cisco Meeting Server. An overview of migrating to multiparty licensing and to Meeting Server can be found at:

<https://www.cisco.com/c/dam/en/us/products/collateral/conferencing/meetingserver/ata glancec45737497.pdf>.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at:

https://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

Customers may be able to continue to purchase the Cisco Telepresence Server through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to: <https://www.cisco.com/go/eos>.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:

https://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
