

End-of-Sale and End-of-Life Announcement for the Cisco Unified MeetingPlace - All Versions

EOL9547 – Amended

Cisco announces the end-of-sale and end-of-life dates for the Cisco Unified MeetingPlace - All Versions. The last day to order the affected product(s) is July 9, 2014. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

Table 1. End-of-Life Milestones and Dates for the Cisco Unified MeetingPlace - All Versions

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	January 8, 2014
End-of-Sale Date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	July 9, 2014
Last Ship Date: App. SW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	October 7, 2014
End of SW Maintenance Releases Date: App. SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	July 9, 2015
	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes on Meeting Place 8.6 MR1 ¹ , deployed in a Type II architecture ² . After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	July 31, 2017
End of New Service Attachment Date: App. SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	July 9, 2015
End of Service Contract Renewal Date: App. SW	The last date to extend or renew a service contract for the product.	April 4, 2017
Last Date of Support: App. SW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	January 31, 2018

HW = Hardware OS SW = Operating System Software App. SW = Application Software

¹ This extension date covers only the Application Server component of MeetingPlace 8.6 MR1. Current MeetingPlace 8.5 customers will be eligible for the extension only if they upgrade to MeetingPlace 8.6 MR1 by August 30, 2015

² In MeetingPlace Type II deployment architecture, "Scheduling" is done through the WebEx Site, WebEx Productivity Tools, or WebEx Assistant. The MeetingPlace Application Server is the only component deployed on-premises and the rest is on the WebEx Cloud, including the email notification engine. In essence, the MeetingPlace conferencing system acts as the audio bridge for an already-provisioned WebEx site.

Table 2. Product Part Numbers Affected by This Announcement

End-of-Sale Product Part Number	Product Description	Replacement Product Part Number	Replacement Product Description	Additional Information
L-MP8-ADDON	MeetingPlace 8.x Addon	See the Product Migration Options section below for detailed information on replacing this product.	-	-
L-MP8-VIDEO-FO	MeetingPlace 8.x Video Concurrent Users for Failover Server	See the Product Migration Options section below for detailed information on replacing this product.	-	-
L-MP8X-LIC	MP 8.x User License Top Level	See the Product Migration Options section below for detailed information on replacing this product.	-	-
L-MP8X-USR-1	MP 8.x A/V User License - 1 User - eDelivery	See the Product Migration Options section below for detailed information on replacing this product.	-	-
L-WBX-PORTS	WebEx Ports Top Level	See the Product Migration Options section below for detailed information on replacing this product.	-	-

Product Migration Options

Customers are encouraged to discuss on-premises, cloud or hybrid product options with their Cisco Sales Manager or their Cisco Customer Success Manager.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at

http://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

The Cisco Takeback and Recycle program helps businesses dispose properly of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:

http://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
