

Tufin Testimonial for Cisco Tetration Analytics

Pamela Cyr, SVP Business Development, Tufin Technologies

“As the first Network Security Policy Management (NSPM) provider to work with the Cisco Tetration analytics platform, Tufin truly recognizes the opportunity and the market need for this integration. With Tetration policy enforcement capabilities, Tufin can automatically enforce application connectivity and security policies in real-time, across a multi-vendor infrastructure. Using Tufin’s Unified security policy model with Tetration, customers can achieve continuous compliance, adherence to security standards and policy consistency across their data centers, enabling zero-trust operations.”
