

End-of-Sale and End-of-Life Announcement for the Cisco IOS Software Release 15.2(1)T

EOL7771

Cisco announces the end-of-sale and end-of-life dates for the Cisco IOS Software Release 15.2(1)T. The last day to order the affected product(s) is January 30, 2012. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available until the termination date of the contract, even if this date exceeds the Last Date of Support shown in Table 1.

Table 1. End-of-Life Milestones and Dates for the Cisco IOS Software Release 15.2(1)T

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	August 1, 2011
End-of-Sale Date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date. The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	January 30, 2012
Last Ship Date: OS SW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	January 30, 2012
End of SW Maintenance Releases Date: OS SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes for Release 15.2(1)T. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software. The only exception is Vulnerability/Security issues that will be addressed as shown in the End of Vulnerability/Security Support milestone below.	August 1, 2012
End of Vulnerability/Security Support: OS SW:	The last date that Cisco Engineering may release bug fixes for Vulnerability or Security issues for Release 15.2(1)T. After this date, bug fixes for Vulnerability or Security issues found in Release 15.2(1)T may be provided through later supported software releases. Note that there will be no rebuild releases of 15.2(1)T provided after this End of Vulnerability/Security Support milestone date.	January 29, 2013
End of Vulnerability/Security Support through migration: OS SW	The last date that Cisco Engineering may release bug fixes for Vulnerability or Security issues found on Release 15.2(1)T through later supported software releases including, but not limited to, 15.2(4)M.	January 29, 2015
Last Date of Support:	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	January 31, 2017

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Table 2. Product Part Numbers Affected by This Announcement

End-of-Sale Product Part Number	Product Description	Replacement Product Part Number
Cisco IOS Release 15.2(1)T	The listed Cisco IOS Software Release version is a representation of releases derived from Release 15.2(1)T. All releases and rebuilds are included in this end-of-sale and end-of-life announcement.	See the Product Migration Options section below for detailed information on replacing this product.

Product Migration Options

Customers are encouraged to migrate to the Cisco IOS Software Release 15.2(4)M which is expected to be available in mid calendar year 2012. While IOS15.1(4)M is also a viable migration option, its end of sale is planned for 2012; therefore it is highly recommended to migrate to 15.2(4)M when available.
