Overview

EOL15789

Cisco announces the end-of-sale and end-of-life dates for the Cisco DSL SFP module. The last day to order the affected product(s) is February 15, 2026. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

End-of-life milestones

Table 1. End-of-life milestones and dates for the Cisco DSL SFP module

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	November 3, 2025
End-of-Sale Date Accessory	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	February 15, 2026
Last Ship Date Accessory	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	May 15, 2026
End of SW Maintenance Releases Date Accessory	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	February 15, 2027
End of Routine Failure Analysis Date Accessory	The last-possible date a routine failure analysis may be performed to determine the cause of hardware product failure or defect.	February 15, 2027
End of New Service Attachment Date Accessory	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	February 15, 2027
End of Service Contract Renewal Date Accessory	The last date to extend or renew a service contract for the product.	May 15, 2027
Last Date of Support Accessory	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	February 29, 2028

Product part numbers

Table 2. Product Part Numbers Affected by This Announcement

End-of-Sale Product Part Number	Product Description
SFP-VADSL2+-I	VDSL2/ADSL2+ Industry Grade SFP
SFP-VADSL2+-I=	VDSL2/ADSL2+ Industry Grade SFP

Product migration options

There is no replacement available for the Cisco DSL SFP module at this time.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:
