Overview

EOL16001

Cisco announces the end-of-sale and end-of-life dates for the Cisco ASR 900 Accessories. The last day to order the affected product(s) is March 31, 2027. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

End-of-life milestones

Table 1. End-of-life milestones and dates for the Cisco ASR 900 Accessories

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	November 16, 2026
End-of-Sale Date: HW, Accessory	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	March 31, 2027
Last Ship Date: HW, Accessory	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	June 30, 2027
End of Routine Failure Analysis Date: HW, Accessory	The last-possible date a routine failure analysis may be performed to determine the cause of hardware product failure or defect.	March 30, 2028
End of New Service Attachment Date: HW, Accessory	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	March 30, 2028
End of Service Contract Renewal Date: HW, Accessory	The last date to extend or renew a service contract for the product.	June 29, 2031
Last Date of Support: HW, Accessory	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	March 31, 2032

HW = Hardware OS SW = Operating System Software App. SW = Application Software

PWR-CAB-AC-IND=	India AC Power Cord for Cisco NCS4200 and ASR 900	There is currently no migration product available for this product.	-	-

Product migration options

Customers may be able to use the Cisco Takeback and Reuse Program where applicable to return hardware that has reached end-of-use, at no cost. Returned products are put to their next best use, whether reused, remanufactured, or recycled by one of Cisco's certified contracted recyclers. For more information, go to: https://www.cisco.com/c/en/us/about/takeback-and-reuse.html.

Customers may be able to continue to purchase the Cisco ASR 900 Accessories through the Cisco Refresh (certified remanufactured) program. Remanufactured units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Refresh program, go to: https://www.cisco.com/c/en/us/products/remanufactured.html.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to: https://www.cisco.com/c/en/us/about/takeback-and-reuse/product-recycling.html.
