

## End-of-Sale and End-of-Life Announcement for the Cisco Wide Area Application Services (WAAS) Software Version 5.2

### EOL9901

Cisco announces the end-of-sale and end-of life dates for the Cisco Wide Area Application Services (WAAS) Software Version 5.2. The last day to order the affected product(s) is April 15, 2015. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

**Table 1.** End-of-Life Milestones and Dates for the Cisco Wide Area Application Services (WAAS) Software Version 5.2

Milestone	Definition	Date
<b>End-of-Life Announcement Date</b>	The date the document that announces the end of sale and end of life of a product is distributed to the general public.	October 15, 2014
<b>End-of-Sale Date</b>	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	April 15, 2015
<b>Last Ship Date: OS SW</b>	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	July 14, 2015
<b>End of SW Maintenance Releases Date: OS SW</b>	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	April 14, 2016
<b>End of New Service Attachment Date: OS SW</b>	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	April 14, 2016
<b>End of Service Contract Renewal Date: OS SW</b>	The last date to extend or renew a service contract for the product.	July 11, 2019
<b>Last Date of Support: OS SW</b>	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	April 30, 2020

HW = Hardware    OS SW = Operating System Software    App. SW = Application Software

Some customers may have versions of WAE/WAVE hardware that prevent migration to Version 5.4 because Version 5.4 is not supported on older platforms that have reached their end-of-sale dates. Those customers may still migrate to Version 5.3, which is still available, or may use the Cisco Technology Migration Program referenced below to upgrade their hardware to facilitate migration to Version 5.4.

## Product Migration Options

Customers are encouraged to migrate to the Cisco Wide Area Application Services (WAAS) Software Version 5.4. Information about this product can be found at: <http://www.cisco.com/c/en/us/products/routers/wide-area-application-services-waas-software/literature.html>.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at [http://www.cisco.com/web/partners/incentives\\_and\\_promotions/tmp.html](http://www.cisco.com/web/partners/incentives_and_promotions/tmp.html)

Service prices for Cisco products are subject to change after the product End of Sale date.

The Cisco Takeback and Recycle program helps businesses dispose properly of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to: [http://www.cisco.com/web/about/ac227/ac228/ac231/about\\_cisco\\_takeback\\_recycling.html](http://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html)

## For More Information
