

End-of-Sale and End-of-Life Announcement for the Cisco WRV210 Wireless-G VPN Router with RangeBooster

EOL7815

Cisco announces the end-of-sale and end-of-life dates for the Cisco WRV210 Wireless-G VPN Router with RangeBooster. The last day to order the affected product(s) is December 1, 2011. Customers will continue to receive phone support from the Cisco Small Business Support Center (SBSC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active product warranties, support will be available as stated in the product warranty terms and conditions, even if this date exceeds the Last Date of Support shown in Table 1.

Table 1. End-of-Life Milestones and Dates for the Cisco WRV210 Wireless-G VPN Router with RangeBooster

| Milestone | Definition | Date |
|--------------------------------------|---|-------------------|
| End-of-Life Announcement Date | The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public. | September 1, 2011 |
| End-of-Sale Date | The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date. | December 1, 2011 |
| Last Ship Date: HW | The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time. | February 29, 2012 |
| Last Date of Support: HW | The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete**. Warranty duration is based on product ship dates; refer to warranty terms and conditions for details. | November 30, 2016 |

HW = Hardware OS SW = Operating System Software App. SW = Application Software
