## Product Migration Options

This is a product part number change only. Customers will experience no change in functionality when using the new product IDs. The new product IDs are designed to simplify the ordering process.

Existing customers can continue to renew support contracts using their existing L-ISE-xVM PIDs. New customers are encouraged to leverage the R-ISE-xVM PIDs to purchase the Cisco Identity Services Engine VM Appliances.

Service prices for Cisco products are subject to change after the product End of Sale date.

The Cisco Takeback and Recycle program helps businesses dispose properly of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:
