Overview

EOL15497 - Amended

Cisco announces the end-of-sale and end-of-life dates for the Cisco MDS Traditional Software Licenses. The last day to order the affected product(s) is October 4, 2025. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

End-of-life milestones

Table 1. End-of-life milestones and dates for the Cisco MDS Traditional Software Licenses

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end of sale and end of life of a product is distributed to the general public.	October 4, 2024
End-of-Sale Date License	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	October 4, 2025
Last Ship Date License	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	January 3, 2026
End of Service Contract Renewal Date License	The last date to extend or renew a service contract for the product.	January 31, 2028
Last Date of Support License	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	October 31, 2028

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Product part numbers
