

End-of-Sale and End-of-Life Announcement for the Cisco Energy Manager

EOL11975 - Amended

Cisco announces the end-of-sale and end-of-life dates for the Cisco Energy Manager. The last day to order the affected product(s) is February 23, 2018. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

Cisco Energy Manager will be End of Sale Effective February 23, 2018. Refer to the enclosed tables for the associated EOS/EOL dates and product IDs (PIDs) that will no longer be available. This amendment includes all Energy Manager Top Level, Child, Obsolete, and Unused Product IDs that may have been missed in the previous revisions. Refer to the FAQ posted at <https://www.cisco.com/c/en/us/support/cloud-systems-management/iot-intelligence-platform/tsd-products-support-series-home.html> for additional details.

Table 1. End-of-Life Milestones and Dates for the Cisco Energy Manager

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	August 25, 2017
End-of-Sale Date: App SW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	February 23, 2018
Last Ship Date: App SW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	May 24, 2018
End of SW Maintenance Releases Date: App SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	February 23, 2019
End of New Service Attachment Date: App SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	February 23, 2019
End of Service Contract Renewal Date: App SW	The last date to extend or renew a service contract for the product.	May 21, 2020
Last Date of Support: App SW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	February 28, 2021
