

Product Identification Change Announcement for certain Cisco SFS 3000 Series, SFS 7000 Series, and Accessories

Cisco Systems® announces the end-of-sale and end-of life dates for certain Cisco SFS 3000 Series, SFS 7000 Series, and Accessories in the European Union countries. The last day to order the affected product is May 30, 2006. European Union countries customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) until November 30, 2011.

Table 1 describes the end-of-life milestones, definitions, and dates for the affected product. Table 2 lists the product part numbers affected by this announcement.

Customers are encouraged to migrate to the new product identifications that annotate products with identical form, fit or function of the end-of-sale/end-of-life products. Table 2 provides relevant information for migrating to the replacement product.

Table 1. End-of-Life Milestones and Dates for certain Cisco SFS 3000 Series, SFS 7000 Series, and Accessories

Milestone	Definition	Date
European Union Countries End-of-sale date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	May 30, 2006
European Union Countries End of routine failure analysis date	The last-possible date a routine failure analysis may be performed to determine the cause of product failure or defect.	November 30, 2007
European Union Countries End of new service attachment date	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	November 30, 2007
European Union Countries End of service contract renewal date	The last date to extend or renew a service contract for the product.	May 30, 2011
European Union Countries Last date of support	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	November 30, 2011

PRODUCT MIGRATION OPTIONS

The recommended replacement for EOS / EOL product identification Cisco SFS 3000 Series, SFS 7000 Series, and Accessories is the new set of product identifications for Cisco SFS 3000 Series, SFS 7000 Series, and Accessories.

Customers are encouraged to migrate to the new product identifications for Cisco SFS 3000 Series, SFS 7000 Series, and accessories. Information about this product can be found at <http://www.cisco.com/en/US/products/ps6418/index.html>. The new product identifications of Cisco SFS 3000 Series, SFS 7000 Series, and accessories have the same form, fit, and function as their older- product-identification counterparts.

Customers can use the Cisco Technology Migration Plan (TMP) to trade in products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, go to <http://www.cisco.com/go/tradein/>. The Cisco TMP application requires all users to have a Cisco.com user ID.

Customers may be able to continue to purchase the end-of-sale product through Cisco's Authorized Refurbished Equipment program. Refurbished units of the end-of-sale product are available in limited supply for sale in certain countries on a first-come, first-served basis. For information about the refurbished equipment program, go to:

http://www.cisco.com/en/US/ordering/or6/or17/order_refurbished_equipment_program_description.html

FOR MORE INFORMATION
