Overview

EOL15309

Cisco announces the end-of-sale and end-of-life dates for the Cisco Expressway CE1300 Appliance. The last day to order the affected product(s) is September 29, 2025. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

The CE1300 is the last non-virtualized ("bare metal" hardware) appliance model. Replacement CE1400V requires virtualization software and license (not included, must be customer-provided). Please see Cisco Expressway technical documentation on [cisco.com](https://www.cisco.com) for more details.
