

# Change in Product Part Number Announcement for the Cisco DCM Series D9900/D9901 Digital Content Manager

EOL8046

Cisco announces a change in product part numbers for the Cisco DCM Series D9900/D9901 Digital Content Manager. This is a product part number change only announcement. Customers will experience no change in functionality when using the new product part numbers. The new product part numbers are designed to simplify the customer ordering process. The last day to order the affected product using the current product part numbers is July 29, 2011. Customers will continue to receive support from the Cisco Technical Assistance Center (TAC) until otherwise specified in the end-of-life announcement for the new product part numbers. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product. Table 2 lists the product part numbers affected by this announcement.

Effective immediately, this is a product part number change only announcement as a result of the migration from the Scientific Atlanta ordering processes to the Cisco ordering process.

**Table 1.** End-of-Life Milestones and Dates for the Cisco DCM Series D9900/D9901 Digital Content Manager

Milestone	Definition	Date
<b>End-of-Life Announcement Date</b>	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	April 29, 2011
<b>End-of-Sale Date</b>	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	July 29, 2011
<b>Last Ship Date License</b>	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	April 29, 2011

HW = Hardware    OS SW = Operating System Software    App. SW = Application Software

This is a product part number change only, effective immediately. Customers will experience no change in functionality, service, or lead time when using the new product IDs. The new product IDs are designed to simplify the ordering process. Customers are encouraged to migrate immediately to the Cisco D9900/D9901 Digital Content Manager configurable through the Cisco Dynamic Configuration Tool (<https://apps.cisco.com/qtc/config/jsp/configureHome.jsp>). The Cisco Dynamic Configuration Tool allows online configuration of the Cisco D9900/D9901 Digital Content Manager (DCM-1RU and DCM-2RU) as well as DCM License Upgrade Kits (DCM-LIC-UPGR). Spare parts are available under Cisco DCM Series in the Pricing Tool. Non-migrated Scientific Atlanta customers, still ordering in SAP, are not affected by this product part number change.

**Table 2.** Product Part Numbers Affected by This Announcement

End-of-Sale Product Part Number	Product Description	Replacement Product Part Number	Replacement Product Description	Additional Information
401134400086	D9900/D9901 MP2 Transrating Lic (86/Lic)	LDCM-SD-MP2TR	D9900/D9901 MP2 SD Transrating Lic (1/SD, req. Co-Pro)	-
