

## End-of-Sale and End-of-Life Announcement for the Cisco D9032 MPEG-2 Encoder Licenses

EOL8543

Cisco announces the end-of-sale and end-of-life dates for the Cisco D9032 MPEG-2 Encoder Licenses. The last day to order the affected product(s) is February 28, 2013. Customers with active service contracts or active warranties will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active service contracts or active product warranties, support will be available for the shown dates as stated in the applicable service contracts or product warranty terms and conditions, even if this date exceeds the Last Date of Support shown in Table 1.

**Table 1.** End-of-Life Milestones and Dates for the Cisco D9032 MPEG-2 Encoder Licenses

| Milestone                            | Definition  | Date              |
|--------------------------------------|---|-------------------|
| <b>End-of-Life Announcement Date</b> | The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.                   | August 30, 2012   |
| <b>End-of-Sale Date</b>              | The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.             | February 28, 2013 |
| <b>Last Ship Date License</b>        | The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time. | May 29, 2013      |

**Table 2.** Product Part Numbers Affected by This Announcement

| End-of-Sale Product Part Number | Product Description   | Replacement Product Part Number   | Replacement Product Description | Additional Information |
|---------------------------------|---|---|---------------------------------|------------------------|
| 4009153                         | D9032 Dolby Digital (AC-3) 2.0 Encoding, CH 1/2             | See the Product Migration Options section below for detailed information on replacing this product. | -                               | -                      |
| 4009154                         | D9032 Dolby Digital (AC-3) 2.0 Encoding, CH 3/4             | See the Product Migration Options section below for detailed information on replacing this product. | -                               | -                      |
| 40150930                        | License Upgrade, D9032 SDI                                  | See the Product Migration Options section below for detailed information on replacing this product. | -                               | -                      |
| 70041730                        | D9032 PreSight-Plus(TM) Adaptive and Motion Comp Fltr Suite | See the Product Migration Options section below for detailed information on replacing this product. | -                               | -                      |
| 70041750                        | D9032 4:2:2 Video Encoding                                  | See the Product Migration Options section below for detailed information on replacing this product. | -                               | -                      |

| End-of-Sale Product Part Number | Product Description                                    | Replacement Product Part Number   | Replacement Product Description | Additional Information |
|---------------------------------|--|---|---------------------------------|------------------------|
| 70047060                        | D9032 Auto-concatenation                               | See the Product Migration Options section below for detailed information on replacing this product. | -                               | -                      |
| 7006258000                      | Closed Loop Statistical Multiplex Interface to Regulus | See the Product Migration Options section below for detailed information on replacing this product. | -                               | -                      |
| 70122810                        | D9032 IP-based Statistical Multiplexing                | See the Product Migration Options section below for detailed information on replacing this product. | -                               | -                      |

## Product Migration Options

Customers are encouraged to migrate to the Cisco Modular Encoding Platform D9036. Information about this product can be found at: [http://www.cisco.com/en/US/products/ps9178/products\\_data\\_sheets\\_list.html](http://www.cisco.com/en/US/products/ps9178/products_data_sheets_list.html). The D9032 encoder and D9036 encoding platform can coexist in the same system; however, these models cannot be used together in setting up backup encoders or statmux pools.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses dispose properly of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:
