

End-of-Sale and End-of-Life Announcement for the Cisco Linear Stream Manager

EOL11916

Cisco announces the end-of-sale and end-of-life dates for the Cisco Linear Stream Manager. The last day to order the affected product(s) is January 8, 2018. Customers with active service contracts or active warranties will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active service contracts or active product warranties, support will be available for the shown dates as stated in the applicable service contracts or product warranty terms and conditions.

Table 1. End-of-Life Milestones and Dates for the Cisco Linear Stream Manager

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	July 10, 2017
End-of-Sale Date: App SW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	January 8, 2018
Last Ship Date: App SW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	April 8, 2018
End of SW Maintenance Releases Date: App SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	January 8, 2019
End of New Service Attachment Date: App SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	January 8, 2019
End of Service Contract Renewal Date: App SW	The last date to extend or renew a service contract for the product.	April 5, 2020
Last Date of Support: App SW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete. Warranty duration is based on product ship dates; refer to warranty terms and conditions for details.	January 31, 2021

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Product Migration Options

There is no replacement available for the Cisco Linear Stream Manager at this time.

The Linear Stream Manager is the management solution for the AnyRes Packager as well as the management tool for the AnyRes Live in larger deployments. The AnyRes Packager is announced end-of-life concurrently to this announcement of the Linear Stream Manager. For management of multiple AnyRes Live, a customer can also choose to make use of the ROSA Video Service Manager, as long as the output formats delivered by the AnyRes Live is MPEG Transport Streams (SPTS and ATS).

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:

https://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
