

End-of-Sale and End-of-Life Announcement for the PowerVu Network Control Centre Software Components

EOL11116

Cisco announces the end-of-sale and end-of-life dates for the PowerVu Network Control Centre Software Components. The last day to order the affected product(s) is February 13, 2017. Customers with active service contracts or active warranties will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active service contracts or active product warranties, support will be available for the shown dates as stated in the applicable service contracts or product warranty terms and conditions.

Table 1. End-of-Life Milestones and Dates for the PowerVu Network Control Centre Software Components

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	August 15, 2016
End-of-Sale Date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	February 13, 2017
Last Ship Date: App. SW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	May 14, 2017
End of SW Maintenance Releases Date: App. SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	February 13, 2018
End of New Service Attachment Date: App. SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	February 13, 2018
End of Service Contract Renewal Date: App. SW	The last date to extend or renew a service contract for the product.	May 12, 2019
Last Date of Support: App. SW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete. Warranty duration is based on product ship dates; refer to warranty terms and conditions for details.	February 29, 2020

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Table 2. Product Part Numbers Affected by This Announcement

End-of-Sale Product Part Number	Product Description	Replacement Product Part Number	Replacement Product Description	Additional Information
LPNC-LICP-CUE	Field/Factory Cue Trigger Option. (For Prim PNC)	There is currently no replacement product available for this product.	-	-
LPNC-LICS-CUE	Field/Factory Cue Trigger Option. (For Backup PNC)	There is currently no replacement product available for this product.	-	-
LPNC-UPGS-V11X-K9	PNC version upgrade to 11.x series	See the Product Migration Options section below for detailed information on replacing this product.	-	-
SWPNC-REL-V120-K9	PNC release V12.0	See the Product Migration Options section below for detailed information on replacing this product.	-	-
SWPNC-RELS-V120-K9	PNC release V12.0 for backup server	See the Product Migration Options section below for detailed information on replacing this product.	-	-
SWPNCC-REL-V120-K9	PNC IRD Management application only, release V12.0	See the Product Migration Options section below for detailed information on replacing this product.	-	-

Product Migration Options

Customers are encouraged to migrate to the newer PNC releases. Information about this product can be found at: <http://www.cisco.com/c/en/us/support/video/powervu-network-centre/model.html#~tab-downloads>.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at http://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

Customers may be able to continue to purchase the PowerVu Network Control Centre Software Components through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to: <http://www.cisco.com/go/eos>.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to: http://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
