

End-of-Sale and End-of-Life Announcement for the Cisco AnyRes Live Software Only

EOL11920

Cisco announces the end-of-sale and end-of-life dates for the Cisco AnyRes Live Software Only. The last day to order the affected product(s) is January 8, 2018. Customers with active service contracts or active warranties will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active service contracts or active product warranties, support will be available for the shown dates as stated in the applicable service contracts or product warranty terms and conditions.

This is not an End-Of-Life Announcement of the entire AnyRes Live product family, but of the select sub-product called the AnyRes Live Software, which runs on generic data center servers.

Product Migration Options

The individual PIDs listed do not directly match a new replacement PID within the Virtual DCM software. Instead, Cisco is now offering the virtual DCM which is capable of covering most of the features provided by the AnyRes Live S/W. For a more detailed view of feature coverage by the Virtual DCM, please contact your local sales representative.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at:
