

End-of-Sale and End-of-Life Announcement for the Cisco Aironet 1000 Series Access Points

EOL6185

Cisco® announces the end-of-sale and end-of life dates for the Cisco Aironet 1000 Series Access Points. The last day to order the affected product(s) is March 11, 2008. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available until the termination date of the contract, even if this date exceeds the Last Date of Support shown in Table 1.

The last software release that will support the Cisco Aironet 1000 Series Access Points (including Airespace AS-1250 access points) is Cisco Unified Wireless Network Software Release 4.2. Software maintenance (critical bug fixes) will be supported until March 11, 2009, which is one year beyond the End-of-Sale date. Customers are encouraged to migrate from the Cisco Aironet 1000 Series (including Airespace AS-1250 access points) to the Cisco Aironet 1130 AG, 1240 AG, or 1250 Series Access Points for greater investment protection and enhanced functionality.

Information about these products can be found at

<http://www.cisco.com/en/US/products/hw/wireless/index.html>

Table 1. End-of-Life Milestones and Dates for the Cisco Aironet 1000 Series Access Points

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end of sale and end of life of a product is distributed to the general public.	September 11, 2007
End-of-Sale Date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	March 11, 2008
Last Ship Date: HW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	June 9, 2008
End of SW Maintenance Releases Date: HW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	March 11, 2009
End of Routine Failure Analysis Date: HW	The last-possible date a routine failure analysis may be performed to determine the cause of product failure or defect.	March 11, 2009
End of New Service Attachment Date: HW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	March 11, 2009
End of Service Contract Renewal Date: HW	The last date to extend or renew a service contract for the product.	June 6, 2012
Last Date of Support: HW	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	March 10, 2013

HW = Hardware

OS SW = Operating System Software

App. SW = Application Software

The last Cisco Unified Wireless Network Software Release that will support the Cisco Aironet 1000 Series Access Points is Release 4.2 (including maintenance releases).

Product Migration Options

Customers are encouraged to migrate to the Cisco Aironet 1130 AG Series or Cisco Aironet 1240 AG Series Access Points. Information about these products can be found at <http://www.cisco.com/en/US/products/hw/wireless/index.html>.

Customers can use the Cisco Technology Migration Plan (TMP) to trade in products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, go to <http://www.cisco.com/go/tradein/>. The Cisco TMP application requires all users to have a Cisco.com user ID.

Customers may be able to continue to purchase the Cisco Aironet 1000 Series Access Points through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date

of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to <http://www.cisco.com/go/eos>.

Service prices for Cisco products are subject to change after the product End of Sale date.

For More Information

For more information about the Cisco Aironet 1130 AG Series or Cisco Aironet 1240 AG Series Access Points, visit <http://www.cisco.com/en/US/products/hw/wireless/index.html>, or contact your local account representative.
