

End-of-Sale and End-of-Life Announcement for the Cisco Aironet 1520 Series

EOL7921 - Amended

Cisco announces the end-of-sale and end-of-life dates for the Cisco Aironet 1520 Series. The last day to order the affected product(s) is March 30, 2012. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

As noted below, the products will be supported with software maintenance releases on the current 7.2 SW for two years. The products will be supported on new feature releases until otherwise notified. This end-of-sale/end-of-life announcement does not include the existing AP1524SB (serial backhaul) models.

Table 1. End-of-Life Milestones and Dates for the Cisco Aironet 1520 Series

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	September 30, 2011
End-of-Sale Date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	March 30, 2012
Last Ship Date: HW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	June 28, 2012
End of SW Maintenance Releases Date: HW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	March 30, 2013
End of Routine Failure Analysis Date: HW	The last-possible date a routine failure analysis may be performed to determine the cause of hardware product failure or defect.	March 30, 2013
End of New Service Attachment Date: HW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	March 30, 2013
End of Service Contract Renewal Date: HW	The last date to extend or renew a service contract for the product.	June 25, 2016
Last Date of Support: HW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	March 31, 2017

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Customers are encouraged to migrate from the 802.11a/b/g Cisco Aironet 1520 Series to the 802.11a/b/g/n Cisco Aironet 1550 Series.

Product Migration Options

Customers are encouraged to migrate to the Cisco Aironet 1550 Series. Information about this product can be found at: <http://www.cisco.com/en/US/products/ps11451/index.html>.

Table 3. Product Comparisons

Feature	Cisco Aironet 1520 Series	Cisco Aironet 1550 Series
802.11 radio	a/b/g	a/b/g/n
CleanAir	none	CleanAir on 2.4GHz radio
Supported Antennas	single band, omni and directional	dual-band omni

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at

http://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

Customers may be able to continue to purchase the Cisco Aironet 1520 Series through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to: <http://www.cisco.com/go/eos>.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses dispose properly of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:

http://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
