

## End-of-Life Announcement For The Cisco Aironet 350 Series Client Adapter AIR-LMC352

Cisco Systems® announces the end-of-life (EOL) and end-of-sale (EOS) dates for the Cisco® Aironet® 350 Series Client Adapter (AIR-LMC352 and AIR-LMC352/40). The last day to order the Cisco Aironet 350 Series Client Adapter (AIR-LMC352) is January 17, 2006. Table 1 describes the end-of-life milestones, definitions, and dates for the Cisco Aironet 350 Series Client Adapter (AIR-LMC352). Table 2 lists the product part number affected by this announcement.

With the vast majority of Cisco Aironet 350 Series Client Adapter (AIR-LMC352) adapters being embedded in application specific devices (ASDs), such as handheld barcode scanners and mobile printers, the recommended substitute is to direct these ASD vendors to participate in the Cisco Compatible Program. The Cisco Compatible Program involves device vendors utilizing IEEE 802.11 silicon or radio adapters supporting the Cisco Client Extensions specification. The device vendor then submits the device supporting Cisco Client Extensions through independent testing to validate compliance with the Cisco wireless LAN infrastructure. Information on the Cisco Compatible Program, as well as a list of currently support Cisco Compatible devices, can be found at [http://www.cisco.com/en/US/partners/pr46/pr147/partners\\_pgm\\_concept\\_home.html](http://www.cisco.com/en/US/partners/pr46/pr147/partners_pgm_concept_home.html).

**Table 1.** End-of-Life Milestones and Dates for the Cisco Aironet 350 Series Client Adapter (AIR-LMC352)

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end of sale and end of life of a product is distributed to the general public.	October 21, 2005
End-of-Sale Date	The last date to order the product through Foxconn. The product is no longer for sale after this date.	January 17, 2006
Last Shipment Date	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	April 17, 2006
End of Software Maintenance Releases Date	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	June 17, 2007
End of Routine Failure Analysis Date	The last-possible date a routine failure analysis may be performed to determine the cause of product failure or defect.	January 17, 2007
Last Date of Support	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	January 17, 2011, for hardware and operating system software January 17, 2009, for application software

**Table 2.** Product Part Number Affected by This Announcement

End-of-Sale Product Part Number	Product Description
AIR-LMC352	802.11b PC Card w/dual MMCX Connectors
AIR-LMC352/40	802.11b PC Card w/dual MMCX Connectors, 40PK

## PRODUCT MIGRATION OPTIONS

Cisco will not offer a Cisco branded migration option; however, the Cisco Compatible Program, launched in October, 2002, provides customers a means to have client compatibility with Cisco wireless LAN infrastructure.
