

End-of-Sale and End-of-Life Announcement for the Cisco Video Distribution Suite for Internet Streaming (VDS-IS) Product IDs

EOL11800

Cisco announces the end-of-sale and end-of-life dates for the Cisco Video Distribution Suite for Internet Streaming (VDS-IS) Product IDs. The last day to order the affected product(s) is November 1, 2017. Customers with active service contracts or active warranties will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active service contracts or active product warranties, support will be available for the shown dates as stated in the applicable service contracts or product warranty terms and conditions.

Customers are encouraged to migrate to the latest Cisco Video Distribution Suite for Internet Streaming (VDS-IS) software release.

Table 1. End-of-Life Milestones and Dates for the Cisco Video Distribution Suite for Internet Streaming (VDS-IS) Product IDs

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	May 3, 2017
End-of-Sale Date: App SW, License	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	November 1, 2017
Last Ship Date: App SW, License	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	January 30, 2018
End of SW Maintenance Releases Date: App SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	November 1, 2018
End of New Service Attachment Date: App SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	November 1, 2018
End of Service Contract Renewal Date: App SW	The last date to extend or renew a service contract for the product.	January 28, 2020
Last Date of Support: App SW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete. Warranty duration is based on product ship dates; refer to warranty terms and conditions for details.	October 31, 2020

HW = Hardware OS SW = Operating System Software App. SW = Application Software

CDASR-E-PX-2.6-K9=	Enhanced Ed. Proximity (Add on top of CDASR-2.6-K9)	See the Product Migration Options section below for detailed information on replacing this product.	-	-

Product Migration Options

Customers are encouraged to migrate to the latest Cisco Video Distribution Suite for Internet Streaming (VDS-IS) software release. Customers should contact the Cisco support organization for its recommendation about the best migration path. In addition, Cisco is recommending that customers follow the VDS-IS software release notes and documentation to be familiar with upgrade procedures and requirements. Customers are more than welcome to send an email to ask-cdspm@cisco.com for further clarification.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at http://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

Customers may be able to continue to purchase the Cisco Video Distribution Suite for Internet Streaming (VDS-IS) Product IDs through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to: <http://www.cisco.com/go/eos>.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to: http://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
