 Duo Security is
now part of Cisco.

One Year On Us

Get one year of Duo on us – that’s free – when you purchase a minimum of three years of Duo MFA or Access editions. Duo makes security painless, so you can focus on what’s important.

This offer is available globally and is valid through July 31, 2021

BENEFITS

Duo ensures only **trusted users** and **trusted devices** can access **every application**.

Trusted Users

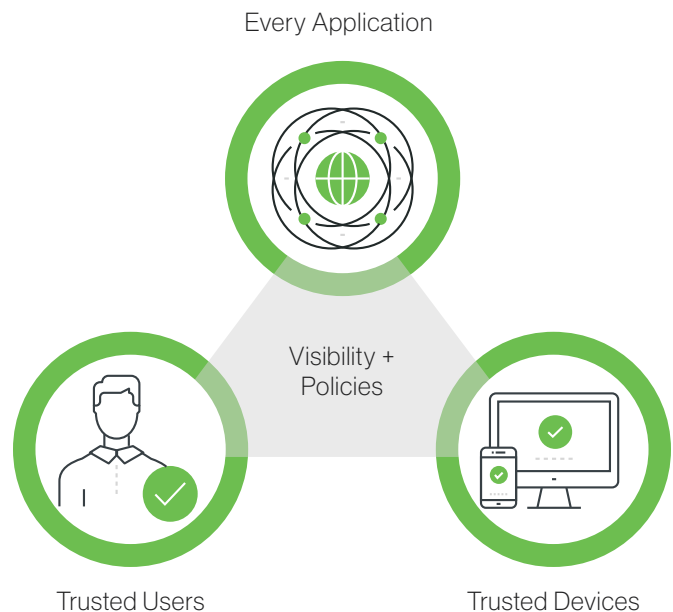

- + Verify your users’ identities with two-factor authentication
- + Enforce user access policies
- + Several authentication methods available to support every user

Trusted Devices

- + Check the security health of all your users’ devices
- + Enforce device access policies

Every Application

- + Secure access to any application
- + Enforce application access policy

PROMOTION DETAILS

Get “One Year on Us” when you purchase a minimum of three years of Duo MFA or Access editions:

MFA: Two-factor authentication that’s easy for both administrators and users.

Duo provides an easy-to-use, secure mobile authentication app for quick, push notification-based approval to verify your users’ identities.

Access: Everything in Duo MFA, plus secure cloud access and the ability to check the security posture of devices connected to the network.

Minimum Deal Size:

- + International - 1,000 user licenses
- + United States - 2,000 user licenses
- + United States Public Sector – 1,000 user licenses

Minimum Term of Contract:

- + 3 years (annualized)
- + This offer is valid for net new Duo customers
