

# How Can I Generate a Report of all My Classic Licenses under a Smart Account from Product License Registration Portal (LRP)?

## Contents

---

---

**For External Customer / Partner Use Only:** These instructions are provided to help customers / partners perform the action themselves to resolve the issue. If the customer / partner runs into issues in the instructions, please have them open a case with licensing support (<https://www.cisco.com/go/scm>) to help resolve.

### Prerequisites

Before you start, ensure that you have:

- Active Cisco.com account
- Access to Smart Account & Virtual Account

### Steps

Step 1: Go to [Cisco Software Central](#) and log in with your Cisco.com credentials.

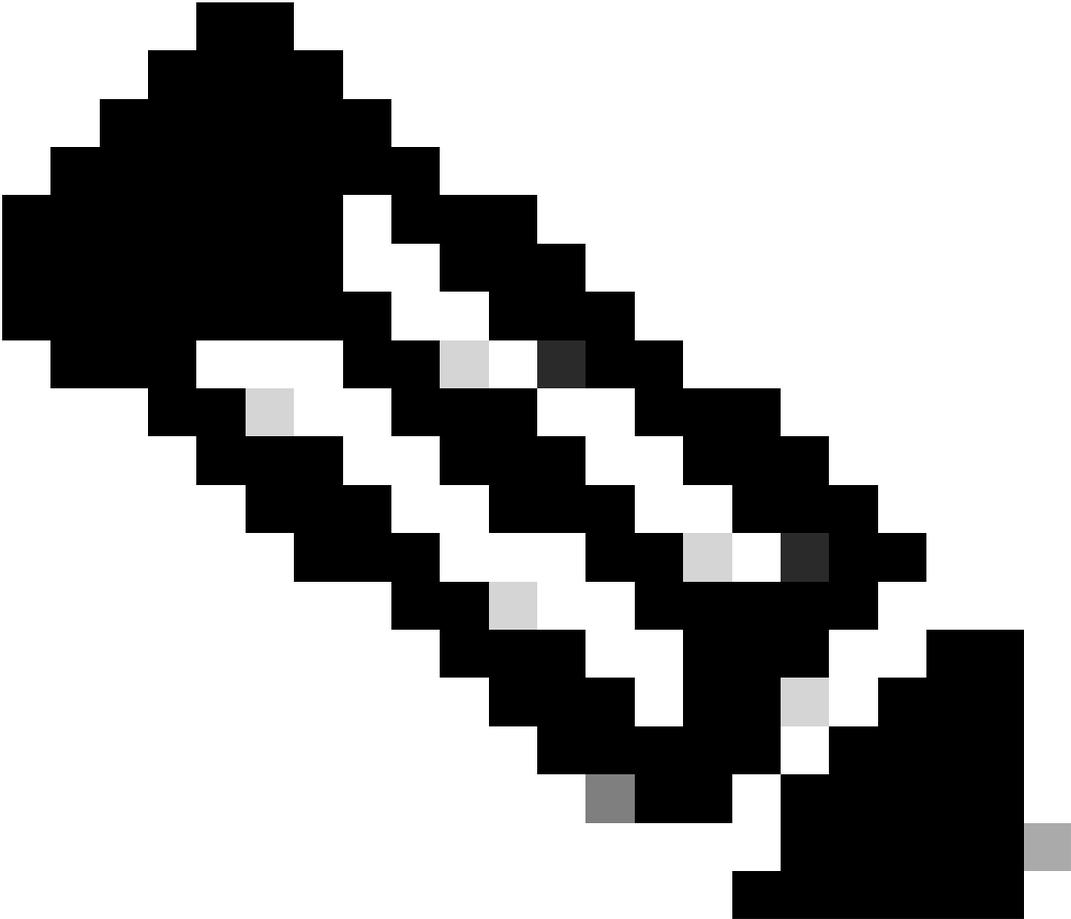

Step 2: Go to Traditional Licenses and Click on 'Access LRP'.

Step 3: On the top left corner go to the Smart Account and Virtual account selector. Select the appropriate Smart Account and Virtual Account for which report needs to be generated.

Step 4: Go to the Licenses tab.

Step 5: Click on Export to CSV to download the license report.

---

**Note:** Custom License report with selective licenses can be downloaded by selecting specific licenses using the License selector check box

---

## Troubleshooting

1. I cannot see some licenses in the downloaded report. Please verify the Smart Account (SA)/Virtual Account (SA) Role prior to opening a Licensing case at [Support Case Manager \(SCM\)](#) using Software Licensing option.

If you experience an issue with this process, that you cannot address, please open a Licensing case at [Support Case Manager \(SCM\)](#) using Software Licensing option.
