

## Preface

This document describes how to configure, operate and monitor the Cisco StadiumVision Mobile Streamer in Release 2.0. The document is intended for venue operators who are responsible for administering and operating the Cisco StadiumVision Mobile Streamer.

## Document Revision History

Table 1 lists the technical changes made to this document since it was first published.

**Table 1** Document Revision History

Date	Change Summary
August 12, 2014	Initial version for Cisco StadiumVision Mobile Streamer Release 2.0.

## Document Organization

Chapter	Description
<a href="#">“Configuring the Cisco StadiumVision Mobile Streamer”</a>	Describes how to configure the Cisco StadiumVision Mobile Streamer.
<a href="#">“Cisco StadiumVision Mobile Streamer Text Utility Interface”</a>	Provides an overview of the Text Utility Interface (TUI) for the Cisco StadiumVision Mobile Streamer. The TUI provides a console-based interface for use by system installers, administrators, and troubleshooting personnel to perform routine system tasks such as modifying system configurations, changing passwords, and checking system logs.
<a href="#">“Backing Up and Restoring the Cisco StadiumVision Mobile Streamer”</a>	Describes how to backup and restore the Cisco StadiumVision Mobile Streamer.
