

# Preface

---

Revised: March 28, 2013  
Cisco StadiumVision Mobile Release 1.2

**Table 1**      *Document Revision History*

Date	Description
March 28, 2013	Initial release of Cisco StadiumVision Mobile.

## Document Purpose

This document describes how to install the StadiumVision Mobile Reporter and StadiumVision Mobile Streamer software on a Cisco UCS C200 or Cisco UCS C220 server.

## Document Audience

The intended audience is StadiumVision Mobile Reporter and StadiumVision Mobile Streamer system administrators, Cisco Technical Field Engineers who are responsible for designing and deploying StadiumVision Mobile, and Cisco Partners. It is expected that readers of this document are familiar with basic IP networking and video technology, have a general understanding of the sports and entertainment business, and understand the objectives and operations of live events.

## Related Documentation

See the *Cisco StadiumVision Mobile Reporter Administration Guide* and *Cisco StadiumVision Mobile Streamer Administration Guide* for information about operating the StadiumVision Mobile Reporter and StadiumVision Mobile Streamer.

# Obtaining Documentation and Submitting a Service Request

For information on obtaining documentation, submitting a service request, and gathering additional information, see the monthly *What's New in Cisco Product Documentation*, which also lists all new and revised Cisco technical documentation, at:

<http://www.cisco.com/en/US/docs/general/whatsnew/whatsnew.html>

Subscribe to the *What's New in Cisco Product Documentation* as an RSS feed and set content to be delivered directly to your desktop using a reader application. The RSS feeds are a free service. Cisco currently supports RSS Version 2.0.
