View Subscription Plan Options

To view available subscription plans and what features are included, click [here](#) or navigate to  > **Purchase** > **Tier Information** tab. Within each product tab you can expand categories and compare the various features that are available in each tier.

If you would like to purchase a subscription, see [Purchase through a Cisco Partner or Reseller](#) or [Purchase through Amazon Web Services \(AWS\) Marketplace](#).

For more information about each Crosswork Cloud product, see one of the following data sheets:

- [Crosswork External Route Analysis](#) (Network Insights)
- [Crosswork Traffic Analysis](#)
- [Crosswork Trust Insights](#)

Free Subscription Plan Requirement

To maintain a free subscription plan, at least *one* of the following requirements must be met:

- A user in an organization must log into Crosswork Cloud within the last 90 days.
- An organization must maintain an active [peer](#) (with a complete internet routing table) in Crosswork Cloud Network Insights.
- An organization must have an active entitlement for a different module.

To avoid automatic termination, please purchase a minimum of one IP route prefix to monitor with Crosswork Cloud Network Insights through a Cisco Partner or Reseller, or purchase through [Amazon Web Services \(AWS\) Marketplace](#).

For information on what features are available with a free subscription plan click [here](#) or navigate to  > **Purchase** > **Subscription Tiers** tab within Crosswork Cloud.
