Use the Cisco Webex Meetings Desktop App as a Guest

The Cisco Webex Meetings desktop app allows you to join a Webex meeting as a guest, without signing in to the app.

Procedure

- Step 1** Open the Cisco Webex Meeting desktop app and click **Use as guest**.

- Step 2** If required, enter your name and email address, and then click **Continue**.

Windows: If you use Microsoft Outlook as your calendar and are signed in to your Microsoft account, the **Upcoming Meetings** list shows meetings that are scheduled in your Outlook calendar.

Mac: The first time that you use the desktop app, click **Import Outlook Meetings**, and then sign in to your Microsoft account to add your meetings to the desktop app.

Step 3 To join a meeting, do one of the following:

- In the **Join a Meeting** field, paste the meeting URL and then click **Join**.
- Click the **Join** button next the meeting name in the **Upcoming Meetings** list.

The **Join** button appears just before the meeting is scheduled to start.

Step 4 [Connect your audio and video](#) so that other attendees can hear and see you.

Step 5 To join the meeting using a nearby video device; select **Connect to a device** and then select the device.
