Caution

Means *reader be careful*. In this situation, you might do something that could result in equipment damage or loss of data.

Note

Means *reader take note*. Notes contain helpful suggestions or references to material not covered in the manual.

**Timesaver**

Means *the described action saves time*. You can save time by performing the action described in the paragraph.

**Tip**

Means *the following information will help you solve a problem*.

Product Documentation

[Table 1](#) lists the HCM documentation set.

We sometimes update the documentation after original publication. Therefore, you should also review the documentation on Cisco.com for any updates. You must access the links in [Table 1](#) for the most current HCM 1.1 documentation.
