

# Cisco Prime Optical 10.5 Documentation Overview

---

**November 30, 2015**

You can access the Cisco Prime Optical 10.5 end-user documentation on Cisco.com at <http://www.cisco.com/c/en/us/support/cloud-systems-management/prime-optical/tsd-products-support-series-home.html>.

To search within the documentation, use the **Search this Category** search box.

**Note**

We sometimes update the documentation after original publication. Therefore, you must review the documentation on Cisco.com for any updates.

---

The following documents are provided as part of the Cisco Prime Optical product:

<b>Documentation Title</b>	<b>What Is Included</b>
<a href="#">Cisco Prime Optical 10.5 Release Notes</a>	Provides an overview of the release and describes how to access bugs for Prime Optical 10.5.
<a href="#">Cisco Prime Optical 10.5 Quick Start Guide</a>	Provides steps that lead you through a new installation for a single-server setup with an embedded database. The purpose of this guide is to quickly get you up and running with Prime Optical 10.5.
<a href="#">Cisco Prime Optical 10.5 Installation Guide</a>	Explains how to install and upgrade to Prime Optical 10.5.
<a href="#">Cisco Prime Optical 10.5 User Guide</a>	Describes how to use the Prime Optical software, which consists of user applications and tools for network discovery, network configuration, connection management, fault management, system administration, and security management.
<a href="#">Cisco Prime Optical 10.5 GateWay/CORBA User Guide and Programmer Manual</a>	Describes the GateWay/CORBA northbound interface product that is available for Prime Optical. This document serves as a reference for developers of Operations Support System (OSS) applications that work with the Prime Optical GateWay/CORBA interface.

Documentation Title	What Is Included
<i>Cisco Prime Optical 10.5 High Availability Installation Guide</i>	Explains how to install Prime Optical in a high availability (HA) environment.
<i>Cisco Prime Optical 10.5 Basic External Authentication</i>	Describes how Prime Optical supports basic external authentication.
<i>Migration Matrix for Service Pack Releases</i>	Describes the migration matrix for service pack releases.
<i>Cisco Prime Optical 10.5 Open Source</i>	Lists licenses and notices for open source software.
<i>Cisco Prime Optical 10.5 Supported Devices</i>	Contains compatibility information and lists the Cisco software versions that can be used with a particular Cisco hardware product or module.

## Obtaining Documentation and Submitting a Service Request

For information on obtaining documentation, submitting a service request, and gathering additional information, see the monthly *What's New in Cisco Product Documentation*, which also lists all new and revised Cisco technical documentation, at:

<http://www.cisco.com/c/en/us/td/docs/general/whatsnew/whatsnew.html>

Subscribe to the *What's New in Cisco Product Documentation* as a Really Simple Syndication (RSS) feed and set content to be delivered directly to your desktop using a reader application. The RSS feeds are a free service and Cisco currently supports RSS Version 2.0.
