

# Cisco Prime Performance Manager 1.0 Documentation Overview

---

Revised on: June 24, 2011, OL-24601-01

You can access the Cisco Prime Performance Manager end-user documents from Cisco.com at this URL:  
[http://www.cisco.com/en/US/products/ps11715/tsd\\_products\\_support\\_series\\_home.html](http://www.cisco.com/en/US/products/ps11715/tsd_products_support_series_home.html)

To navigate from the [Cisco.com](http://www.cisco.com) home page, click **Support** and enter the product name, Cisco Prime Performance Manager, in the Find Product Support pane.

**Note**

---

We recommend that you always refer to the latest documents available on Cisco.com. These documents are updated to reflect customer feedback, additional instructions, and bug fixes.

---

The following documents are provided as part of the Cisco Prime Performance Manager product:
