

Managing Tenants

The Tenant Management page displays a list of all tenants you have created. You can add, modify or delete a tenant. You can also attach templates to tenants.

This chapter has the following sections:

- [Viewing Tenant Details, on page 1](#)
- [Adding Tenants, on page 1](#)
- [Editing Tenants, on page 2](#)

Viewing Tenant Details

Go to **Tenants > Tenant Management**. The Tenant Management page lists all the available tenants.

By default, the tenants under VTS are displayed. You can choose individual VMMs from the drop-down to display the tenants under these.

The page displays the following:

- Name
- Description
- Zones
- Attached Templates
- Multi VMM Operations
