Objectives

This document provides an overview of software functionality that is specific to the Cisco Catalyst 8500 Series Edge (includes Cisco Catalyst 8500 platform and Cisco Catalyst 8500L Series platform). It is not intended as a comprehensive guide to all of the software features that can be run using the Cisco Catalyst 8500 Series Edge Platforms, but only the software aspects that are specific to this platform.

For information on general software features that are also available on the Cisco Catalyst 8500 Series Edge Platforms, see the Cisco IOS XE technology guide for that specific software feature.

Document revision history

The Document revision history records technical changes to this document. The table shows the Cisco IOS XE software release number and document revision number for the change, the date of the change, and a brief summary of the change.
