Document purpose

This user guide describes the **Monitor mode** of the GUI for Cisco Cyber Vision and how to use it.

It requires the highest license level (Advantage). You must have **Admin** and **Product user** roles.

This manual is applicable to **system version 4.3.0**.

Warnings and notices

To ensure your personal safety and to prevent damage to property, observe the following: Warnings and notices and Safety Alert symbols. These notices are graded according to the degree of danger.

Warning Indicates risks that involve industrial network safety or production failure that could possibly result in personal injury or severe property damage if proper precautions are not taken.

Important Indicates risks that could involve property or Cisco equipment damage and minor personal injury if proper precautions are not taken.

Note Indicates important information on the product described in the documentation to which attention should be paid.
