

Documentation Roadmap for Cisco Intrusion Prevention System 6.1

This documentation roadmap explains how to access IPS documents and related documents on Cisco.com.

Contents

- [Cisco IPS Documentation Set, page 1](#)
- [Accessing Cisco IPS Documentation, page 2](#)
- [Related Documentation, page 2](#)
- [Obtaining Documentation, Obtaining Support, and Security Guidelines, page 3](#)

Cisco IPS Documentation Set

Refer to the following documents for information on Cisco IPS 6.1.

- For a list of caveats, documentation changes, and important last minute information:
Release Notes for Cisco Intrusion Prevention System 6.1
- For information on installing and using Cisco IDM:
Installing and Using Cisco Intrusion Prevention System Device Manager 6.1
- For information on installing and using Cisco IME:
Installing and Using Cisco Intrusion Prevention System Manager Express 6.1
- For IPS CLI reference, including syntax and usage guidelines:
Command Reference for Cisco Intrusion Prevention System 6.1
- For CLI procedures:
Configuring the Cisco Intrusion Prevention System Sensor Using the Command Line Interface 6.1

Accessing Cisco IPS Documentation

You can find IPS documentation at this URL:

http://www.cisco.com/en/US/products/hw/vpndevc/ps4077/tsd_products_support_series_home.html

Or to access IPS documentation, follow these steps:

-
- Step 1** Log in to [Cisco.com](http://www.cisco.com).
- Step 2** Under Quick Links on the right side of the window, click **Documentation**.
- Step 3** Under Select a category, click **Security**, then under Select a sub-category, click **IPS Appliances**, then under Select a product, click **Cisco IPS 4200 Series Sensors**.

The Cisco IPS 4200 Series Sensors window appears.

- Step 4** Click one of the following categories to access Cisco IPS documentation:
- **General Information**—Contains documentation roadmaps and release notes
 - **Download Software**—Takes you to the software download site
 - **Reference Guides**—Contains command references.
 - **Install and Upgrade**—Contains hardware installation and regulatory guides.
 - **Configure**—Contains configuration guides for IPS CLI and IDM
 - **Troubleshoot and Alerts**—Contains TAC tech notes and field notices
-

Related Documentation

The following products are related to IPS. You can access the related product documentation on Cisco.com at the given URLs. You can order printed copies of some documents by following the instructions in [Obtaining Documentation, Obtaining Support, and Security Guidelines, page 3](#):
