Support Charts for Cisco Secure Client Linux Compliance Module v4.3.4667.0

Revised: February 27, 2026

Introduction

This document lists the products that are supported by the Cisco ISE posture agent for Linux OS.

> ✎
>
> **Note**   • It is recommended to use the latest version of the compliance modules published on Cisco.com to include the latest security fixes and support for new products and versions.
>
> • All compliance module packages will be archived from Cisco.com after six months from the date of publishing.
>
> • To request support for unsupported products or versions, raise an enhancement request. Upgrade to this new version is supported only from compliance module versions available on Cisco.com.

The following table describes the columns that are included in the below support charts:

Column	Description
Product Version	Specifies the version of the product that is supported by the Cisco ISE posture agent.
Definition State Check	Indicates whether the Cisco ISE posture agent can retrieve information about the Antimalw the definition version and definition date of the product.
Live Update	Shows whether the Cisco ISE posture agent can trigger the products to do Antimalware de
Application Running Check	Shows whether the Cisco ISE posture agent can determine if the application or product is
Application Kill	Indicates whether the Cisco ISE posture agent can terminate the application or product.
Application Uninstall	Shows whether the Cisco ISE posture agent can uninstall the application or product.
Min Compliance Module Version	Displays the minimum version of the compliance module required to support this product.
Enable Remediation	Specifies whether Cisco ISE posture agent can enable the patch management software if it
Update Remediation (Install Missing Patches)	Indicates whether the Cisco ISE posture agent can update the patch on the endpoint.
Activate GUI Remediation	Specifies whether the Cisco ISE posture agent can display the patch management software

Anti-Malware

Product Name	Product Version	Definition State Check	Live Update	Application Running Check	Application Kill	Application Uninstall	Min. Compliance Module Version
360.CN
