Menu items and button names	<b>boldface font</b>
Indicates menu items to select, in the order you select them.	<b>Option &gt; Network Preferences</b>

### Tip

Identifies information to help you get the most benefit from your product.

### Note

Means *reader take note*. Notes identify important information that you should reflect upon before continuing, contain helpful suggestions, or provide references to materials not contained in the document.

### Caution

Means *reader be careful*. In this situation, you might do something that could result in equipment damage, loss of data, or a potential breach in your network security.

### Warning

Identifies information that you must heed to prevent damaging yourself, the state of software, or equipment. Warnings identify definite security breaches that will result if the information presented is not followed carefully.
