

## Preface

---

This preface describes the audience, organization, acronyms, and conventions used in the Cisco CMX Engage with Meraki Quick Start Guide.

- [Audience, page iii](#)
- [Document Organization, page iv](#)
- [Document Conventions, page iv](#)
- [List of Acronyms and Abbreviations, page iv](#)

## Audience

This guide is intended for site producers who create web portals using the CMX Engage with Meraki. For example, a technical administrator who creates the proximity rules and manages the users, or a portal administrator who manages the portal content.

This guide is also meant for business and store administrators who use the CMX Engage to create the proximity rules to send notifications to customers and business users.

# Document Organization

Chapter Number	Chapter Title	Description
Chapter 1	<a href="#">Getting Started</a>	Provides information on the process flow and system requirements for the Cisco CMX Engage.
Chapter 2	<a href="#">Defining the Location Hierarchy</a>	Describes the CMX Engage features and how to define the location hierarchy.
Chapter 3	<a href="#">Captive Portals and Proximity Rules</a>	Describes how to create the captive portals, various portal modules, and the proximity rules that you can create using the CMX Engage.
Chapter 4	<a href="#">CMX Engage Reports and Users</a>	Provides information on the CMX Engage Reports and user types.
