

# CONTENTS

|  |          |
|--|----------|
| <b>Preface</b>   | vii      |
| Release Notes  | iii-vii  |
| Regulatory Compliance and Safety Information                 | iii-vii  |
| Compatibility Information                                    | iii-viii |
| Hardware Installation  | iii-viii |
| Software Installation and Upgrade                            | iii-viii |
| Cisco NX-OS Configuration Guides                             | iii-viii |
| Command-Line Interface                                       | iii-viii |
| Intelligent Storage Networking Services Configuration Guides | iii-ix   |
| Troubleshooting and Reference                                | iii-ix   |

---

**CHAPTER 1**

|   |     |
|---|-----|
| <b>Storage Interoperability Matrix</b>                              | 1-1 |
| Cisco Nexus 7000/6000/5500/5000 Platforms and Cisco MDS 9000 Series | 1-1 |
| OSM Information   | 1-3 |

---

**CHAPTER 2**

|  |      |
|--|------|
| <b>Fabric Services Interoperability Matrix</b> | 2-1  |
| Data Mobility Manager (DMM)                    | 2-2  |
| EMC  | 2-4  |
| IBM  | 2-12 |
| HP   | 2-16 |
| HDS  | 2-18 |
| NetApp   | 2-20 |
| SUN  | 2-21 |
| Compellent                                     | 2-22 |
| Storage Media Encryption for Tape (SME-Tape)   | 2-23 |
| Symantec                                       | 2-24 |
| EMC  | 2-26 |
| HP   | 2-28 |
| BakBone Software                               | 2-29 |
| IBM  | 2-30 |
| Storage Media Encryption for Disk              | 2-30 |
| EMC  | 2-31 |
| FC-IP SAN Extension                            | 2-32 |

**CHAPTER 3**

**Switch Interoperability Matrix 3-1**

Switch Interoperability Matrix 3-2

IBM eServer BladeCenter Interoperability Matrix 3-9

NPV Interoperability Matrix 3-11
