## New and Changed Information for This Release

The following table provides an overview of the significant changes to this guide for this current release. The table does not provide an exhaustive list of all changes made to this guide or of all new features in this release.

**Table 1: New Features and Changed Behavior in Cisco UCS Director, Release 5.5.**

| Feature  | Description  | Where Documented                                 |
|--|--|--|
| KVM deployment policy reuses previously provisioned VM names | When adding a KVM deployment policy, you can choose to recycle VM names. By default, the check box is selected and Cisco UCS Director reuses previously used VM names if the VM has been decommissioned. | <a href="#">Creating a KVM Deployment Policy</a> |
