New and Changed Information for This Release

The following table provides an overview of the significant changes to this guide for this current release. The table does not provide an exhaustive list of all changes made to this guide or of all new features in this release.

Table 1: New Features and Changed Behavior in Cisco UCS Director, Release 6.5

Feature	Description	Where Documented
Support for more than one Cisco UCS Manager in non-Generic Pods	In addition to the generic pods, more than one Cisco UCS Manager account can be added for other pods, such as FlexPod, Vblock, or VSPEX.	Cisco UCS Manager Accounts
Pending Activities Report	This report shows you the Pending Activities that are waiting for user acknowledgement, including service profile, and server information.	Viewing the Cisco UCS Manager Pending Activities Report and User Acknowledgement
