

Preface

Revised: March 2015

This chapter includes the following sections:

- [Purpose, page vii](#)
- [Audience, page vii](#)
- [Document Conventions, page vii](#)
- [Change History, page viii](#)
- [Related Documentation, page viii](#)
- [Obtaining Documentation and Submitting a Service Request, page viii](#)

Purpose

This guide describes how to set up, configure, and administer your Cisco Show and Share and Cisco Digital Media Manager (DMM) appliances. It also tells you how to use the Appliance Administration Interface (AAI), a text user interface for appliance administration.

Audience

The intended audience for this guide is systems or network administrators who install, configure, or troubleshoot Cisco DMS appliance hardware.

Document Conventions

This guide uses these text formatting conventions:

Item	Convention
Commands and keywords	boldface font
Variables for which you supply values	<i>italic</i> font
Displayed session and system information	screen font
Information you enter	boldface screen font

Item	Convention
Variables you enter	<i>italic screen font</i>
Menu items and button names	boldface font
Selecting a menu item in paragraphs	Option > Network Preferences
Selecting a menu item in tables	Option > Network Preferences

Note

Means *reader take note*. Notes contain helpful suggestions or references to material not covered in the publication.

Caution

Means *reader be careful*. In this situation, you might do something that could result in equipment damage or loss of data.

Tip

Means *the following information will help you solve a problem*. The tips information might not be troubleshooting or even an action, but could be useful information, similar to a Timesaver.

Change History

Added support for Cisco Show and Share and Cisco DMM Release 5.6.

Related Documentation

For a list of all Cisco Show and Share and Cisco DMM product documentation, see the [Documentation Guide for Cisco Show and Share](#) for this release on Cisco.com.

Obtaining Documentation and Submitting a Service Request

For information on obtaining documentation, submitting a service request, and gathering additional information, see *What's New in Cisco Product Documentation* at:

<http://www.cisco.com/c/en/us/td/docs/general/whatsnew/whatsnew.html>

Subscribe to *What's New in Cisco Product Documentation*, which lists all new and revised Cisco technical documentation, as an RSS feed and deliver content directly to your desktop using a reader application. The RSS feeds are a free service.
