Generate Cisco Gateway Reports

You can generate a report for all VGXXX Gateways or for a limited set of gateways. Reports for VGXXX Gateways have a fixed format.

Note Reports can be generated only for VG200, VG224, VG202, VG310, VG320, VG350, VG450, ISR 4461,, , VG420, and VG204 gateways.

Procedure

- Step 1** Choose **Bulk Administration > Gateways > Generate Gateway Reports**.
- Step 2** From the **Find Gateways** where drop-down list, choose one of the following options:
- Name
 - Description
 - DN/Route Pattern
 - Calling Search Space
 - Device Pool
 - Device Type

Step 3 From the second **Find Gateways where** drop-down list, choose one of the following criteria:

- begins with
- contains
- is exactly
- ends with
- is empty
- is not empty

Step 4 From the third drop-down list, choose **Show** to display the associated endpoints.

Step 5 Specify the appropriate search text, if applicable, and click **Find**.

Tip To find all gateways that are registered in the database, click **Find** without entering any search text.

To further define your query, you can choose AND or OR to add multiple filters and repeat [Step 2, on page 1](#) through [Step 5, on page 2](#).

A list of discovered templates displays by:

- Device Name
- Description
- Device Pool
- Status
- IP address

Step 6 Click **Next** to choose details for your type of report.

The Gateway Report Configuration window displays and shows the query that you chose. If you want to change the type of query, click **Back**.

Step 7 In the **File Name** field, enter your name for this report (required).

Step 8 Choose the file format from the drop-down list.

Step 9 In the **Job Information** area, enter the Job description.

Step 10 Choose when to generate a report. Do one of the following:

- a) Click **Run Immediately** to generate a report immediately.
- b) Click **Run Later** to generate a report at a later time.

Step 11 Click **Submit** to create a job for generating the report.

Use the Job Scheduler option in the **Bulk Administration** main menu to schedule and/or activate this job.

What to do next

You can search and download the report file using the Upload/Download Files option in the **Bulk Administration** menu.
