Introduction

Release Notes for Contact Center Solutions

Release 11.0 introduced release note compilations for each of the contact center solutions. The compilations contain all of the release notes for one solution type and the components that you can use with that contact center. In addition to the release notes in this document, see the release note compilations for the other contact center solutions at the following links:

Cisco Security Advisories

Addressing security issues in Cisco products is the responsibility of the Cisco Product Security Incident Response Team (PSIRT). The Cisco PSIRT is a dedicated, global team that manages the receipt, investigation, and public reporting of security vulnerability information that relates to Cisco products and networks.

For information on existing security issues, see *Cisco Security Advisories, Responses, and Alerts* at https://tools.cisco.com/security/center/publicationListing.x.
