- Obtaining Documentation, page i

Purpose

This document provides information for service providers and administrators who manage Cisco Unified Communications Domain Manager 10.6(1) bulk provisioning. This guide requires knowledge of Cisco Hosted Collaboration Solution (HCS).

Audience

This guide is intended for individuals who perform bulk provisioning activities for Cisco Unified Communications Domain Manager 10.6(1).

Obtaining Documentation

For information on obtaining documentation, using the Cisco Bug Search Tool (BST), submitting a service request, and gathering additional information, see *What's New in Cisco Product Documentation*, at: http://www.cisco.com/c/en/us/td/docs/general/whatsnew/whatsnew.html.

Subscribe to *What's New in Cisco Product Documentation*, which lists all new and revised Cisco technical documentation, as an RSS feed and deliver content directly to your desktop using a reader application. The RSS feeds are a free service.
