Go to http://www.webex.com/webexconnect/orgadmin/help/index.htm?toc.htm?cs_user.htm .

Step 3 Set up IM and availability.
Go to http://www.webex.com/webexconnect/orgadmin/help/index.htm?toc.htm?17169.htm.

Step 4 Set up meetings.
Go to http://www.webex.com/webexconnect/orgadmin/help/index.htm?toc.htm?17386.htm.

Preparing user instructions

Send an email message with the information that your users need to sign in to Jabber for iPad. The information includes the following:

- Directions to download and install the app, named "Cisco Jabber for iPad," from the App Store

- Email address for the user's account

- Directions to select **Select Account** > **WebEx Connect** after users start the application on their iPad devices

- Directions to access the FAQs, which users can view by selecting **Settings icon** > **Help** > **FAQs**

- Anything else you may want to communicate with your users
